

# The Swiss Army Knife for ESCOs

Partner in Lighting, Building Controls, Temperature Controls, Electrical Service & Buildouts, and Turnkey EV Charger Installation

## Lighting Upgrades

LEDs, Dimming, Control Panels, Emergency Lighting - from audit to design and install. **We do it all.**

## Electrical Service and Maintenance

Spend less time on maintenance for your lighting system. We'll partner with you to keep things running smoothly all year long.

## Building Control & Automation

Temperature sensors, pressure sensors, thermostats, motor controls and more.

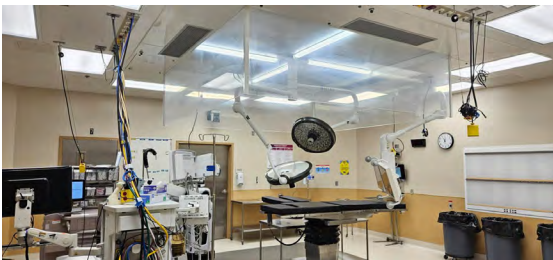

## Electric Vehicle Charging Stations

Install an EV charger for your employees and customers.

## Why Leading ESCOs Work with Us

We're not just a subcontractor - we're your flexible, go-to field partner. ESCOs choose Evolved because we simplify complex scopes, boost audit and install efficiency, and help protect your margins.

From lighting and controls to full electrical buildouts and EV charger deployment, we deliver turnkey execution that makes your project managers' jobs easier.

*"Evolved has really helped us start to transform this hospital into the vision I had for it almost two years ago. I'm also excited to make more transformations over the next few years."*

- **Matt T.**, Select Medical Hospitals

## What Sets Us Apart

### Swiss Army Knife Capabilities

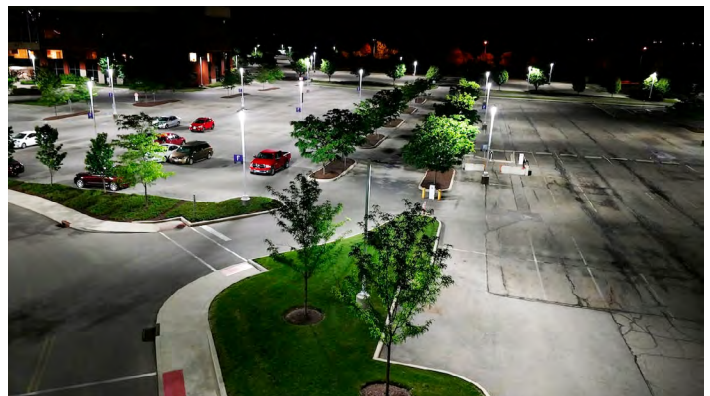

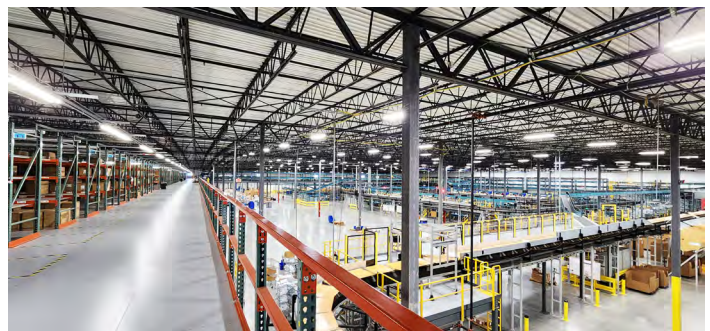

- Lighting, building controls, and temperature controls
- Electrical service and buildout expertise
- Turnkey EV charger installation (Level 2 and Level 3)
- In-house audit, design, and implementation
- Regional reach with PW and non-PW crews

### Project Manager's Best Friend

- Dedicated PM and on-site lead assigned to every project
- Clear, daily communication with your key contacts
- Clean, professional, safety-trained crews

### Efficiency & Value to Protect Your Margins

- **96%+** SnapCount audit accuracy
- Competitive pricing that strengthens ESCO profitability
- Rapid closeout package delivery and data alignment

## Let's Build Together.

When precision, speed, and professionalism matter - Evolved delivers.  
We make your projects smoother and your outcomes stronger.
